Hon. Stewart D. Aaron  
United States District Court  
500 Pearl Street  
New York, NY 10007-1312

ENDORSEMENT: Based upon Defendant Carlson's letter (ECF No. 110), and the Court's *in camera* review of CARLSON 0067-69, the Court is satisfied that these documents evidence Florida club memberships. SO ORDERED.

Dated: 12/10/2020

Re: Greer v. Carlson et al.  
1:20-cv-05484-LTS-SDA

Dear Judge Aaron:

We write pursuant to the Court's Order of December 7, 2020 (ECF No. 108).

The document produced at CARLSON 0067 contains Mr. Carlson's club membership account number in two separate places (at the top right and bottom left of the page) and reflects a charge for a meal. We further respectfully draw the Court's attention to the fact that the statement contains a direction to forward billing inquiries to a "Member Accounting Specialist." The document evidences his club membership because such statements are issued to members when they charge at the club pursuant to their membership privileges.

The document produced at CARLSON 0069 similarly contains Mr. Carlson's membership account number next to the date of the statement. The nature of the expenditure on May 13, 2020, was a work order for equipment repair. The Court is correct that the documents at CARLSON 0068 and 0069 are related and address different amenities that are available to club members.

Respectfully submitted,
